

**IMPORTANT: This is a fixed indemnity policy,
NOT health insurance**

This fixed indemnity policy may pay you a limited dollar amount if you're sick or hospitalized. You're still responsible for paying the cost of your care.

- The payment you get isn't based on the size of your medical bill
- There might be a limit on how much this policy will pay each year.
- This policy isn't a substitute for comprehensive health insurance.
- Since this policy isn't health insurance, it doesn't have to include most Federal consumer protections that apply to health insurance.

Looking for comprehensive health insurance?

- **Visit [HealthCare.gov](https://www.healthcare.gov)** or call **1-800-318-2596** (TTY: 1-855-889-4325) to find health coverage options.
- To find out if you can get health insurance through your job, or a family member's job, contact the employer.

Questions about this policy?

- For questions or complaints about this policy, contact your State Department of Insurance. Find their number on the National Association of Insurance Commissioners' website ([naic.org](https://www.naic.org)) under "Insurance Departments."
- If you have this policy through your job, or a family member's job, contact the employer.

Important Update

Tri-Agency Final Rules – Notice Requirement
MetLife Group Hospital Indemnity Insurance

Tri-Agency Final Rule Background

On March 28, 2024, the Departments of Labor, Treasury, and Health and Human Services (the “Tri-Agencies”) released final rules regarding Short-Term, Limited-Duration Insurance and Independent, Noncoordinated Excepted Benefits Coverage (heretofore referred to as “final rules”).

The final rules contain a new consumer notice requirement that impacts MetLife’s Group Hospital Indemnity product. Other products offered by MetLife are not impacted.

The Tri-Agencies state that the purpose of [the notice](#) is to make consumers “aware of the type of coverage they are purchasing, including the limitations of the coverage, and that it is not mistakenly purchased as an alternative or replacement for comprehensive coverage.”

Notice Requirement Details

The final rules require that “[t]he plan or issuer **displays prominently on the first page (in either paper or electronic form, including on a website) of any marketing, application, and enrollment materials that are provided to participants at or before the time participants are given the opportunity” to enroll or re-enroll in the coverage, in at least 14-point font, the language in the notice shown [here](#).**

The agencies define “prominently displayed” to include criteria such as:

- Using font colors that contrast with background to make it more visible.
- Not requiring that someone click on a link to view it.
- Not obscuring it with other text or graphics.

The final rules indicate that the requirement applies “[f]or plan years beginning on or after January 1, 2025”.

The final rules can be viewed [here online](#).

What is MetLife's Plan to Implement the Disclosure?

Beginning in July 2024:

- MetLife Implementation & Service Teams will be providing to our new and existing Group Hospital Indemnity customers the following:

 - An updated participant plan summary (marketing piece) with the disclosure added.
- MetLife will be contacting our third-party entity and administrator (TPE/TPA) partners to request them to update their electronic enrollment platform with the disclosure.
- ***MetLife is requesting that the notice be implemented in the above materials in time for open enrollment in advance of plan years January 1, 2025 and later.***

Prior to January 1, 2025:

Hospital Indemnity Insurance

Benefit Payment Example for High Plan

Susan has chest pains at home, and after contacting her doctor, she is instructed to head to her local hospital. Upon arrival, the doctor examines Susan and advises that she requires immediate admission to the Intensive Care Unit for further evaluation and treatment. After two days in the Intensive Care Unit, Susan moves to a standard room and spends two additional days recovering in the hospital. Susan was released to her primary care physician for follow-up treatment and observation. Her primary doctor is now keeping a close watch over Susan's overall health. Depending on her health insurance, Susan's out-of-pocket costs could run into hundreds of dollars to cover expenses like insurance co-payments and deductibles. MetLife Group Hospital Indemnity Insurance payments can help cover these unexpected costs or in any other way Susan sees fit.

Covered Benefit	High Benefit Amount
Regular Hospital Admission (1x)	\$1,000
ICU Supplemental Admission (1x)	\$1,000
Regular Hospital Confinement (3 total days)	\$600
ICU Supplemental Confinement (1 day)	\$200
Benefits paid by MetLife Group Hospital Indemnity Insurance	\$2,800

Benefit amount is based on a sample MetLife plan design. Plan design and plan benefits may vary.
